

ECS Workshop – W2W

December 7th - 9th, 2016

Deutsche Telekom AG
Commundo Tagungshotel Stuttgart
Universitätsstraße 34, 70569 Stuttgart

Program

Wednesday 7th December

Start: around 10:00 am

Oral presentation workshop (trainer: Lina Yassin)

The essentials of oral presentations will be interactively discussed and some time will be set aside to work individually on the presentation of the participants. Please prepare a 5-min presentation on your recent scientific work or on a recent paper you have read and wish to present. Make sure to provide your audience with an interesting story and important background. Your peers will review your presentation and the presentations will be filmed. The next day, you will have the option to present once more and readjust and adapt your presentation.

End: around 05:00 pm

Evening: Visit of the Christmas market

Thursday 8th December

Start: 09:00 am

Oral presentation workshop (trainer: Lina Yassin)

End: 05:00 pm

Friday 9th December

Start: 9:00 am

Scientific writing workshop (trainer: Amanda Habbershaw)

Please prepare a short scientific text (1-page) before the workshop. You can also take your annual report, but make sure that you shorten it to 1 page. During the workshop, you will have to adjust your text according to the "rules" explained by the trainer. Another participant will then look through your text and finally, you will be able to edit your text once more and send it to the trainer. She will send it back to you with comments after the workshop.

End: 05:00 pm
